Experience

(2021– current)
KANE TRAVELS
Full Stack Developer
I led the creation of an E-commerce for the reservation and payment of accommodation, using agile methodologies, SCRUM, MVP, problem solving, teamwork, communication and autonomy.

(2001 - 2021)
Salesperson - General Manager
I started my working life at a very young age, at the beginning I generally worked in sales.
I joined the quality area within a 1000 position call center thanks to my good performance, that allowed me to learn the business faster and in depth, leading me to become General Manager of another call center.
I have participated in start-ups and large companies such as Chevrolet, generally getting a promotion within a year of joining.
The areas in which I participate are: Sales, Administration and IT.
Leader of teams from 5 people, up to command lines of up to 100.
